WITH 47 MILLION UNINSURED IT IS TIME TO REFRAME THE HEALTHCARE DEBATE IN TERMS OF SOCIAL PROTECTION AND HUMAN RIGHTS. OUR HEALTH CARE COSTS ARE HIGH BECAUSE OF THE PROFIT-MOTIVATED SYSTEM IN PLACE. PUBLICLY-FUNDED OR SINGLE-PAYER HEALTH CARE WILL REMOVE THIS PROFIT MOTIVE ALONG WITH THE COSTS OF MULTIPLE ADMINISTRATIONS, LOBBYING AND ADVERTISING COSTS BY CREATING A PUBLICLY FUNDED UNIVERSAL HEALTH INSURANCE. PLEASE BRING YOUR QUESTIONS AND TESTIMONIALS TO THIS EVENT!
