

# People's Movement Assembly-The Right to Health

Friday, June 25th 1- 5pm. Cobo Hall: M3-31

We will examine the new health law, and why the battle must continue for the right to health with an understanding that the movement for the healthcare we need is connected to the broader movement demanding healthy food, adequate housing, the right to water and a clean environment, having control over your own life, and being able to fully participate in decisions about your community.

## Workshop-Single payer Health Care Solution to the Health Care Crisis:

Thursday, June 24th 10am - 12pm UAW Building, President's Conference Room, 8000 East Jefferson

Health care is a right. Understand Single Payer Healthcare and you will agree. Featuring Donna Smith, Adrian Cambell, and Reggie Cervante from Michael Moore's "SICKO".
