

The Marilyn Clement Health Care Justice Internship Program

Healthcare-NOW launched the Marilyn Clement Health Care Justice Internship Program in October 2009 to honor her work in founding and building Healthcare-NOW! As Marilyn said, "Being an organizer is an honorable profession... Spending my life as an organizer for change in this world has been a fantastic way to spend a life." It is in this spirit that we offer this internship opportunity to support local coalitions that affiliate with Healthcare-NOW and the mission for single-payer national health care the opportunity to receive up to \$1500.00 to fund an intern of their choice to support the work of their coalition. Our mission is to bring new people into the movement for single-payer national health care by giving them the opportunity to work with active coalitions organizing locally for this important issue. In order to be eligible for the funding, the organization must submit the following:
