## Hill.TV/HarrisX American Barometer

This survey was conducted online within the United States. All percentages are in percentage points.

The results reflect a nationally representative sample of 1,000 Americans. We have weighted the data necessary to align them with their actual proportions in the population.

## Hill.TV/HarrisX American Barometer

This survey was conducted online within the United States. All percentages are in percentage points.

The results reflect a nationally representative sample of 1,000 Americans. We have weighted the data necessary to align them with their actual proportions in the population.
